If you are located in Canada, this section applies to you.

We may process your information if you have given us specific permission (i.e. express consent) to use your personal information for a specific purpose, or in situations where your permission can be inferred (i.e. implied consent). You can [withdraw your consent](#) at any time.

- If disclosure is required to comply with a subpoena, warrant, court order, or rules of the court relating to the production of records
- If it was produced by an individual in the course of their employment, business, or profession and the collection is consistent with the purposes for which the information was produced

5. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

***In Short:** We may use cookies and other tracking technologies to collect and store your information.*

We may use cookies and similar tracking technologies (like web beacons and pixels) to gather information when you interact with our Services. Some online tracking technologies help us maintain the security of our Services and your account, prevent crashes, fix bugs, save your preferences, and assist with basic site functions.

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertising, including to help manage and display advertisements, to tailor advertisements to your interests, or to send abandoned shopping cart reminders (depending on your communication preferences). The third parties and service providers use their technology to provide advertising about products and services tailored to your interests which may appear either on our Services or on other websites.

To the extent these online tracking technologies are deemed to be a 'sale'/'sharing' (which includes targeted advertising, as defined under the applicable laws) under applicable US state laws, you can opt out of these online tracking technologies by submitting a request as described below under section '[DO UNITED STATES RESIDENTS HAVE SPECIFIC PRIVACY RIGHTS?](#)'

Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Notice.

No purpose in this notice will require us keeping your personal information for longer than the period of time in which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either delete or anonymise such information, or, if this is not possible (for example, because your personal information has been stored in backup archives), then we will securely store your personal information and isolate it from any further processing until deletion is possible.

7. HOW DO WE KEEP YOUR INFORMATION SAFE?

We have implemented appropriate and reasonable technical and organisational security measures designed to protect the security of any personal information we process. However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure, so we cannot promise or guarantee that hackers, cybercriminals, or other unauthorised third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information. Although we will do our best to protect

your personal information, transmission of personal information to and from our Services is at your own risk. You should only access the Services within a secure environment.

8. DO WE COLLECT INFORMATION FROM MINORS?

***In Short:** We do not knowingly collect data from or market to children under 18 years of age.*

We do not knowingly collect, solicit data from, or market to children under 18 years of age, nor do we knowingly sell such personal information. By using the Services, you represent that you are at least 18 or that you are the parent or guardian of such a minor and consent to such minor dependent's use of the Services. If we learn that personal information from users less than 18 years of age has been collected, we will deactivate the account and take reasonable measures to promptly delete such data from our records. If you become aware of any data we may have collected from children under age 18, please contact us at contact@squareexpress.org.

10. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a Do-Not-Track ('DNT') feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected. At this stage, no uniform technology standard for recognising and implementing DNT signals has been finalised. As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online. If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this privacy notice.

California law requires us to let you know how we respond to web browser DNT signals. Because there currently is not an industry or legal standard for recognising or honouring DNT signals, we do not respond to them at this time.
